Letter from Their Excellencies

Greetings!

Their Majesties informed us that we have been approved for three more years as Baron and Baroness Three Mountains. Their Majesties' further words were that the response was overwhelmingly in support of myself and Jill.

We attended the Archery Guild meeting and had much fun. While there we finally caught up with Henri Flechie and were able to bestow upon him a Crystal Rainbow. Huzzah!

The Sergency, which includes Sergeants, Yeomen, Gallants, Lancers, and Courtiers, trials are coming up. This gear, Yeomen for thrown weapons will be accepted. Letters of intent will be accepted at Yale. We will post to the list and website more information about what the sergency is. Please contact us if interested.

Yale is shaping up to be a great event. Rusadan is wrangling the history display, so if you have photos, objects, etc. of the history of Three Mountains or Stromgard please contact her.

Our tentative progress:

Feast of St. Odo

12th Night

We would like to thank all of you for your support and friendship over these last three years and trust the next three years will be as exciting as the last three.

Yours in Service,

Announcements

The SCA's Alcohol Policy states:

- Manufacturing, distributing, selling, serving, or furnishing of alcoholic beverages by the SCA or its branches or subdivisions is prohibited within the United States and its territories.

At the April 21 2007 Board Meeting this policy was expanded to include all North American branches of the SCA.

CLARIFICATION 1 - The inclusion of alcohol in official fund-raising activities is contrary to the "distributing" of alcohol and is not to happen. This includes raffles and auctions. Creative deceptions such as "Auctioning bottles and the contents are a free surprise" do not mask the fact that the SCA would be seen to be distributing alcohol.

An interpretation at the time prohibited the use of branch funds for ANYTHING related to the running of a bar at events. This had a negative impact on the inclusion of bars at events, in some locations in Canada, as the bar itself was now totally a private endeavour but the extra cost of the Provincial Event Permits made the running of a private bar financially non-viable.

A clarification from the Board was recently sought and received over the extent of this application and the spirit intended.

The licensing required to have a bar at events in Canada is:

BC - Special Occasions Licence and Serving-It-Right Licencee.

ALBERTA - Special Event Licence (Re-sale)

SASKATCHEWAN Special Occasions Permit and Serve-It-Right

CLARIFICATION 2 - The Special Occasions and Event Licences do not of themselves constitute the running of a bar but rather make the site "bar-ready" much in the same way that other permits and/or insurance certificates are required for other activities. The use of branch funds for that purpose is within the letter and the spirit of the SCA Board ruling.

The restriction on funds for personal certification such as Serve-It-Right or Serving-It-Right remains. The restriction on the use of branch funds for the purchase of any alcohol for consumption, resale or gifting also remains. (with the notable exceptions for cooking included in the SCA policy)

The actual running of a bar at events is subject to the following paragraph from the Alcohol Policy:

- Officers are not prohibited from serving alcohol; however, it must be done as individuals, and not as part of their official duties as officers.

Also minors are not to be used to sell or serve alcohol at SCA events.

>>>> 12Th KNIGHT AUCTION >>>>

From: "Dan S." <wgddershin@hotmail.com>

Greetings,

This year we will be helping out a group called Canine Companions for Independence!

<http://www.cci.org>

This is a great organization, that breeds and trains puppies and dogs to help disabled folks with severe independent living challenges.

Each of these dogs costs about 50,000 dollars to breed and train!

Their latest project is to develop animals to assist wounded veterans.

I would highly recommend watching the videos at (website url shortened): <http://tinyurl.com/ghawz8e>

Here is an example of some of their advertising as well:
<http://tinyurl.com/ygsoxxl>

We will be donating to the Northwest Region.

As in the past, the bidders, donors and worker-bees of the 12Th Knight Auction strive not only for the Knightly Virtue of Largess, but Mercy and Franchise as well.

Remember the rules: All donations must either be by members of the Chivalry, *or* be sponsored by members of the Chivalry.

Please use the following format when contacting me with your donations.

****This year we will again have the ability to donate by cash, check AND credit card!****

The auction will be at the usual time (just before TRM's Owain and Wrenn's First Court) in the main ballroom. Items will be on display Friday Night and Saturday morning.

As usual, we have Sir Brand as Auctioneer, and more guest Auctioneers to be named later!

12th Night Travel Thrones Design and Build Contest

Greetings from Sir Brand - Deputy for Inspirational Giving for An Tir - DIG to An Tir and Her many friends in far-away lands.

Please forward to any individuals you know who do woodworking or who might have an interest in the following.

When we see a need, we try and answer that need. Be it with sword, song, a hand, or - in this case - a jigsaw;-)

ULTIMATE GOAL: To provide our Majesties and others with ideas for portable thrones to use and, once collapsed (the Thrones, not TRM's) leave at Pennsic (in our on-site storage area there). All in as small/thin a package as possible.

QUESTIONS: HmMMMM. How do we get designs submitted? How do we get people to try their hands at creating something that could be used as a base for the final design? How do we see how creative our People can be, creating a design for a portable chair from re-cycled materials, perhaps? How Flat can a Folding Throne break down? Can we generate a series of designs People of the Society could use to improve their own encampments? How can all those things be brought forth, benefiting many people all at once?

Brand's ANSWER: A Three-Part Contest at An Tir's 12Th Night that I shall sponsor.

Part the First: Portable Thrones PLANS

Submit Plans for a Portable Chair/Throne. Fully drawn out to scale with parts list and directions and cost estimation. Include with it a waiver giving your permission that these plans can be put together in a booklet to offer (on-line for free and in print for cost of printing) to the Knowne Worlde as a pattern book, given to the SCA, for such projects. Prize Winners will be selected based on

1. Overall Design "Look" of the Chair/Throne
2. Ease of Construction, Ease of Assembly
3. Affordability. Special Recognition for low-cost and use of recycled materials will be given (this contest is also generating ideas for the general populace to build a portable chair for their encampment, so I am looking for how to make it easy to do encourage people even if they don't want to afford \$400.00 for Oak, Teak & Mahogany.)
4. Period-ness (please include any documentation about what the design is based upon.)
5. Sturdiness. All Designs should be able to hold a 300 pound person (we wear armor, you know;-)
6. Usefulness and Comfort. Hidden Storage Areas for Regalia/Cellphones/Refreshments. Pop Up Canopy to cover the Royalty sitting there, hooks to hold Drinking Horns, Night Reading Lamps, Sword belts, etc. might add points as well.
7. Include how it can be varnished and made water and rot resistant. Thrones will be stored for 11 months out of the year, in Pennsylvania, where storms can be frequent and harsh.)

12th Night Travel Thrones Design and Build Contest
(continued)

8. Ease of Transportation (hidden wheels so it can be pulled from Court to Court might be good.)

9. This, if seen by people outside An Tir, or who may not be able to attend 12Th Night, might be the best solution for you.

Part the Second: Portable Thrones: DISPLAY

See above goals, but BUILD it. (It was posited that there is not enough time between now and 12Th Night to get this done. I know the artisans of An Tir are gifted and amazing in their abilities, and so give this challenge. If you have not enough time to build one, enter contest #1. Enter the Chair at 12Th Night (People's Choice for most sturdg/compf/"Hey, I could build this" will be a portion of this, so chairs should be able to be sat in by all sorts of folks at the display.)

Part the Third: PORTABLE THRONES: Display and AUCTION/DRAWING!

See Part the First/Second, only all Chairs entered into this portion will be DONATED into either the 12Th Knight Auction (run by Sir Daniel and Mistress Ce't) under my (or another knight's) sponsorship, or put into a drawing, open for the general populace to get tickets for, benefiting the Royal Travel Funds. The choice is up to the maker of the Chair. NB - these Thrones/Chairs should not be so decorated to be confused with the RoyalThrones of any Kingdom. IF your design is picked by TRM's as the one They wish to see commissioned (the winners of this contest are not in any way guaranteed have their designs used by TRM's) it is assumed those elements will be added in/on later.

Can this be done? As seen at September Crown, I knocked out a chair that holds a 300 pound fighter in armor (we tried it) from a very thin single 4X8 sheet of plywood (~ 1/4" or thinner.) Cost: About \$15.00 (Fifteen Dollars) in wood, and some stain. Collapses to about 2" in thickness and 10 pieces.

Time to design and build it: About 2 days, part time, and as a woodwright, I am a good poet;-)

PRIZES: I recognize that winning a prize is not the goal. The goal is to serve our Royal Majesties and our Society. However, it is sometimes fun to have a prize to help recognize the efforts of the contributor. So, along with Honorable Mentions, etc. I offer the following tokens of Respect:

Prize for the First Part (Design). A \$20.00 Art of War Bond*, good towards your registration (or a friends) for Art of War in Aquaterra April 15-18, 2010 (clever plug, huh?). If pre-reg for Art of War is sold out by 12Th Night, I will donate \$20.00 in your name to Art of War as a Sponsor.

Prize for the Second Part (Design/Example Built). A \$20.00 Art of War Bond* (see above). (Why not more for actually building the chair? Hey, you get to keep the chair)

Prize for the Third Part (Design/Built/Donated) A \$50.00 Art of War Bond* (see above).

Feast of St. Brigid
February 20, 2010
Incipient Canton of Hauksgarðr
Sponsored by the Barony of 3 Mountains
Hood River & Wasco Counties, OR

Come join the Incipient Canton of Hauksgarðr as we celebrate the approaching end of winter with the Feast of Saint Brigid. In addition to an all ages potluck feast and bardic jam session, we shall be hosting two contests.

The winter has been long, and the larders are emptying at an alarming rate! Bring a potluck dish that contains elements of what might be left in the larder after a long winter, or what you might "find" out in the forests this time of year. Entries will be judged on a basis of most period and crowd favorite.

The other major pastime of winter (at least out here in Hauksgarðr!) is drinking! With that in mind, we'll be hosting a brewing contest. Bring samples of your best brew out to be judged. Type doesn't matter, be it mead, beer, cordial or wine. And if your brew didn't turn out so well... maybe your flavors are a little off, maybe your mix is a little too sweet (or sour...) Bring it on out anyway; in addition to the contest for the best of the best, we'll also be looking for the best attempt and most period.

For both contests please list ingredients. If you are entering for most period category, please provide as much documentation as you can. Non-period dishes are also welcome as potluck contributions.

If you are a musician, please bring your instruments (or your voice!) and join in the "bardic jam session". There's room for all around our tables!

Potluck contributions by mandane last name, enough for your family +10 servings: M-R: Main dish, S-Z: Side Dish, A-L: Desserts. Please bring your own beverage, feast gear, and table setting. Site is discretely wet. To be kind to those with allergies, please label your potluck contributions.

Site fee: \$5 Adult, \$3 Youth 6-17, children 5 and under free. Non-member surcharge of \$3.

Make checks payable to: SCA Inc, Barony of Three Mountains

Site opens at Noon and closes at 7:00 pm on February 20th, 2010

For our out of town guests, there are several options for lodging nearby. Please contact the autocrats for more information on lodging, camping or plain old "crash space". We will also have some designated drivers available to transport you to your local lodging in case you sample just a bit too much of the brewers offerings.

Site address: American Legion post #55, Main St., Mosier OR 97040.
(Mosier is approximately 60 mi. east of Interstate 205 in Portland).

Directions to Site: Take your best route to Interstate 84 in Oregon. Take exit #69 into Mosier. Follow hwy. 30 into town approx. 0.3 mi. Seneschal: Khalja, Present, Report.
Greetings all,

Things in the barony are humming along nicely. Congratulation to Their Excellencies for doing a wonderful job and continuing for a 2nd term. When I talked to His Majesty, he said the polling was "overwhelmingly supportive." Huzzah!

I submitted the 3rd quarter report to kingdom on time and it was received in good order. I worked with a lot of people this month - autocrats and officers on a variety of topics that those folks are covering in their reports so I will not repeat here.

Baroness Khalja, OP
Seneschal of Three Mountains

Contingency Deputy: Malcolm, Absent, No Activity.

Stock Clerk/Library: Meri, Absent, Report.
Nothing to Report.

Dean of Pages: Open Office

Seneschal of Kaldor Ness: Aedan, Absent, Report.

The incipient Canton held its previous meeting at Jacinda's. The Friday business meeting date followed by a group social has been extremely successful. Attendance at meetings continues to be strong. We have two new individuals at the last business meeting who had been re-introduced to the SCA at Honor Feast.

The group is currently working on our event plans for 2010 and considering a bid for 2011 Kingdom A&S. We're beginning work on the rest of the packet so we can move out of incipiency once our name and arms pass in the spring.

Meeting Minutes

Because of the busy holiday season our November and December meetings will be combined into one meeting to be held on December 11th. Look for full details and directions on the list.

In service, Aedan

Seneschal of Hauksgarðr: Kerryk, Present, Report.
Well met one and all,

November's meeting was held on the 5th at Charburger in Hood River. We had 16 people in attendance. Our after meeting class was on favors and tokens, taught by HL Sannan Cairngorne. She also received quite the compliment from her regional superior, asking to use her quarterly as an example for others. Huzzah!

Our acting Marshal, Connor Cameron Hawk, has found a potential site for a fighter practice on December 12th in Hood River. More information forthcoming on the 3M list.

Our event, the Feast of St. Odo is on track for November 28th, at the Cascade Locks Community Center. Check the Three Mountains list for directions, or ask for more information.

Our February event is on track, more information during event reports.

Quarterly reports are in and on time for all offices I am aware of. If you were expecting a report, and didn't receive one, you need to let me know. Additionally, if you should be receiving a monthly report from someone in the Canton, and you aren't, please let me know so I can address it.

IS, Kerryk

Event Coordinator: Talia, Absent, Report.
Greetings to Their Excellencies, Officers and Populace of Three Mountains!

I am still working on tallying the waivers from Sport of Kings. I hope to get these finished and sent off soon.

At the request of Their Excellencies, I have sent in the request to reserve a date for our upcoming Champions event in June. The reservation will be for June 19, 2010. I hope to hear a confirmation for this date soon.

If anyone is interested in running an event or in being an autocrat feel free to contact me or our lovely Seneschal and we'll help get you started.

Chamberlain: Duncan, Absent, Report.

Greetings All,

Flu in the house will keep both Ersebet and I from attending Council tonight.

In the last month there have been no times that I have opened Baronial Storage.

1) I was contacted by Her Excellency Terra Pomeria about returning equipment used at Crown and responded, however, His Excellency Terra Pomeria has yet to contact me to arrange a time. I have emailed him and given the address and that I am available most any time, but again, have had no response.

2) I spoke with Baron Alfric regarding returning the Baronial Pavillion to storage, but we have not decided on a time as yet.

I was made aware that Dec 4th, 2009 is a good date for Storage Unit reorg and inventory. If that works for enough people, it works for me.

Please let me know what council decides.

In Service, Duncan.

Minister of Arts & Sciences: Qaratani, Present, Report

Greetings to Their Excellencies and council.

Just a reminder my term is ending in January. The office is open for applications.

I attended the 2nd annual Culinary Symposium this past weekend hosted by our neighbors in Dragons' Mist. Wonderful weekend of period classes and food. Thank you to the autocrats and the feastocrat for making this such a wonderful event! If you haven't attended this consider it next year.

This month's cooking night will be Wednesday November 18th. In it we are making all things quince. I have the quince, so you bring the goodies to slather it on!

In Service, Lady Qaratani Ouygen

Dance: Slaine, Present, Report.

Greetings!

Dance practice is still being held at the Beaverton community center on Fridays from 7-9. We will not be holding practice this Friday as I will be doing dance on Saturday at the Winter Bazaar being held by Dragon's Mist.

Armorer: Aleyn, Absent, Report.

greetings to the Barony of Three Mountians, the Baron and Baroness thereof, it's most excellent Seneschal and of course the fine and wonderful people therein.

Aleyn the younger sends his most sincer and humble greetings

firstly, I wish to appologize for the fact, that i will not, in fact, be at this meeting in person. The fact that my person, will not be at the meeting, is due the fact that my mother and sister will be in town tonight, and tonight only, as they are leaving on a jet plane tomorrow. So my person, and the person of my wife (who also will not be at the meeting) will be meeting with my sister and mother instead.

secondly the report that I would have given to the council were i in fact able to attend but which i was not able to be at personally is as follows... for the armor of the barony of Three Mountians there is in fact nothing to report.

.....to be continued

yours in service, Aleyn

Herald: Zach, Present, Verbal Report.

Fourth Quarter report in, OP still down.

Scribe: Eleanor, Present, Report.

Due to logistical problems and holidays, there will be no Paint Nights until February 2010.

Eleanor de Sackville, Baronial Scribe

Chatelaine: Aibinn, Present, Report.

Greetings to their Excellencies and to all good gentles present here at council,

This was a quieter month than most. There was continued e-mail contact with answers to questions and I also sent some Newcomers reminders about the Social, Guild workshop, etc. The kingdom Children's Minister and I communicated and I was put in touch with the Summits Preceptor for their College of Pages. She is quite willing to help 3M get going again with a Page program, but this would take someone volunteering for the leadership role...

One SCA visitor to our kingdom e-mailed and was then able to come to the Baronial Social while his wife attended a business conference. He brought jewelry-making tools with him and showed some of us how to make chained bracelets. He recently sent me a thank you for our welcoming his visit.

Conchobar and I have finalized the Newcomer links that will be put in the 3M website.

The Kingdom Chatelaine, myself, Alexandria, Aedan, and Kolfinna have all communicated and decided what we need to do for the Kingdom Chatelaine Quarterly reports. The Gold Key report and the Hauksgarðr Chatelaine report will be sent to me so that they can be included in the Three Mountains quarterly report. Since Kaldor has no official office of Chatelaine, they do not need to send anything (unless they so choose).

Yours in Service to the Dream, Aíbinn ingen hui Néill

Gold Key: Alexandria, Absent, Report.

Greetings All:

I am unable to make the November meeting this month due to illness and deadlines.

- Still sorting, cleaning and photographing the Gold Key Inventory as I have time but spent a good part of last month dealing with sickness and so not much was accomplished.

- Have had 3 contacts to donate more gold key in the last week but have not collected any yet.

- Have been in discussions with Kingdom and our Chatelaine regarding our Gold Key Kingdom Quarterly Reports. The decision was made to wrap the Gold Key reports up in the Chatelaine report for simplicity and so beginning with the January report, I will send my quarterly kingdom report to our Chatelaine and she will include it in her Kingdom Quarterly reporting.

- Other than that, pretty quiet month.

Contact me directly if you need anything.

Demo Coordinator: Helena, Absent, Report.

continued from Aleyn the younger for Helena.... in addition I would like to add this addendum to be added to this missive while it does not involve me personally it does involve the person of my wife; Baroness Helena. that her report, were she able to give it in person, which she will not, in fact, be able to do, as was mentioned under the heading of "firstly" at the start of this missive. this addendum to be added to the minutes of the meeting will be that the aforementioned Baroness Helena in her office of demo coordinator would have been that there has not been any activity for that office.

this all done this day of 17 november being 2009 in the calendar of gregor the monk.

Chronicler: Sannan, Present, Report.

Greetings Baron, Baroness, Council and populace,

I continue to fight the plague this month so The Plume was out on the 13th, but it uploaded again with the help of Master Conchobar. I'm still working on trying to get my router to reassign my IP address so that I can maybe see the 3M server, but so far have had no luck, so I hope the website still looks pretty.

Kingdom is looking for a Chronicler. If you're interested, please think about applying.
YIS, Sannan

Web Minister: Conchobar, Present, Verbal Report.

Paid bill for the web hosting for Barony will be reimbursed with submitted receipt as it's an office expense that is part of the annual budget. Added event and newcomer information and links to website.

Historian: Open Office

Marshal: Meri, Absent, Report.

Greetings Unto the Baron and Baroness, Council and 3M's populace,

Due to some medical doctors thinking they need to put me out of my misery, I will be put to sleep and then shot, so will be unable to attend council meeting.

*Practice continues regularly with fewer fighters attending due to the colder weather. Everything still goes smoothly with no injuries or armor failures.

*On Nov. 1, I hosted a hands-on training for combat archery. Report is attached.

* No other activity has occurred.

In Service, Meri of the Bears

Combat Archery Training Report- November 1, 2009 1:00-3:00pm

Location: 2614 S.E. 28th AV. Portland, OR

Instructors: Muireann Inghean (3M), Hugh Machomhnaill (3M)

Attending: Meri of the Bears (3M), Y Blackhand(3M), Rusudan (3M), George Slade the Dragoon (DM), Rose Scarlett Slade (DM)

Comments:

Training consisted of learning hands-on what is required for armor on combat archers, the requirements for inspection of combat bows, the construction/inspection of the arrows and requirements for combat crossbows.

The training was very informative and interesting for all the "students". Having hands-on worked very well for understanding what is required for inspections. This meeting also sparked an interest in at least 2 of the students to get involved with archery.

Greetings all,

Odo's is well and truly on track. The finalized timetable has gone out. And as per a request from Baroness Khalja we will not be charging NMS as our copy did not make Crier. Sannan double checked with the park, we are on the calender. The only thing we should need to do on that front is to pick up the key before Thanksgiving.

An instructor has been found for the Children's A&S games and Sannan will teach and run the Adults A&S games. Selene has agreed to run lists for our games tournament. The

game boards are being made or found. We have 2 bardic judges and are waiting on replies from 2 others. Prizes have been found and the receipts will be turned in at council.

Table coverings have been called for and are coming in one way or another. A call has been put out for evergreen boughs, we are still in need. A couple extra tables and chairs would also be appreciated.

Epona is making and donating site tokens, and I am told they are on track.

For what better way to celebrate a successful harvest than with discrete libations. The overall winners in the children's and adult's categories will be our victors for the day and our strategic warriors!

At our potluck feast be prepared to share your story, song or short poem, or even your version of an old SCA favorite, "No fooling, there I was...." (this is a feast for all ages!) Yule 2009: Raul/Aleyn December 19, 2009

Baroness Alina the Seneschal of Stromgard proposed that the Baronies rent tables and chairs for \$200. ABC

continued greetings from Aleyn the Younger...thirdly the report that I would have given as the the liasion for the joint event for yule. the event shared between Three Mountains and the Barony to the North; Stromgaurd, would have been that there has been a request for the Barony of Three Mountains to set up and man a sign in/greeting area for the event. this is not a 'gate' as such as there is not site fee however, there will be a need to have someone to make sure that wavers are signed... this would be a great opportunity for someone who wished to learn how a gate works without having to deal with money.... please contact me if you are interested...

otherwise things seem to be progressing as they should for this event...

NEW SITE ABC with questions answered. Can we get money back if there is inclement weather during the event date? YES Do we need insurance? NO Can we get crash space in area for out of town visitors? Limited

*According to Khalja, our standard insurance will cover us because the SCA carries insurance that covers events. The \$50 rider is only necessary if the site requires we name them in a rider to the policy.

3M Champions: June 19, 2010 Date requested from kingdom calendar by Talia, need autocrat

Archery Academy August 6-8, 2010 Ersebet is recruiting for an autocrat

Trygvy's War III, Sept 24-26, 2009 - Vivien Nic'Uldoon

3M Supervising Autocrat-Khalja Site to be determined

Kingdom calendar has accepted our third choice date of Sept 24-26th for TWIII. HE Khalja contacted the barony holding the event on our first choice date and they declined our request to share the date - understandably so.

The submitted budget has been reviewed and won't need any updates for the changed date. We will be looking into securing Milo McIver for the event site on the new date.

YIS, Vivien

Special Meetings:

2nd Monday Night Social- The second indoor monday night social of the season was held. This is a room for people in the local SCA group to socialize who accompany their fighters to practice. There is normally an attendance of about 12. The suggestion was made that the hat be passed for donations to help defray the cost. This was done and raised \$15.05 in donations. This will be ongoing.

Storage Unit Reorganization- December 4th

Old Business:

Approve previous month's meeting minutes as published in The Plume- Sannan ABC

Customary: Khalja hasn't worked on. Wording is still awkward. - Khalja admits she's a slacker...

Milo McIver-Overpayment July Coronation 2009: Janvier Received refund of \$1, 167 which changed the gross income from July Coronation to \$7, 369.13. Paid kingdom an additional \$? Adjusted Net income for July Coronation was \$?

Propane Storage: Janvier has the current copy of our storage unit agreement in with the exchequer's files, but pretty sure not allowed to store propane tanks in unit. Tabled until next month. Member has a household member who works for Cascade Propane who is maybe willing to set up a commercial account for us so that we can drain and fill our tanks at that price. We could then drain propane from tanks before storage.

Meeting Minutes

Looking into industrial account at cost + \$0.25 for propane and being able to drain our tanks. Sebastiaen and Khalja.

New Stakes for Baronial Pavillion: Malcom has made 30 for the \$50 ABC already and is talking to Ulfred who has offered to make a box for storage and transport.

New Business:

Money Talks:

Tablecloths: Stromgard would like to know if we would split the cost of buying some round table clothes with them. eFavormart has 90" rounds at \$8.61 for qty 30. in Royal Blue, White, Black, Red, Ivory, green, silver, burgundy.

Do we want to buy 20 Royal Blue for approximately \$ 8.61/ea +s/h? ABC

chronicler's note: per Baroness Alina as of 12/11 cost of \$170 not \$172.20 +s/h as approved

Do we want to buy rectangular tablecloths from the same source? Consensus was to hold off as this fabric does not bleach well. It doesn't stain easily, but it's not very period and the colors aren't very period. Hannah is volunteering to research rectangular tablecloths that are of a color that is period, etc. for discussion at the next council meeting.

Meeting Adjourned: 8:17pm
